## Old Business

### Parent Volunteers (drop-off loop)

This is going very well and staff/parents are continuing to work with parents to encourage them to follow drop off loop procedures. Victoria will get the sign laminated so that it is weather resistant.

### Spring Fling

Spring Fling is planned for May 30<sup>th</sup> with a June 5<sup>th</sup> rain date (4:30-7:00). The Parrot Lady is coming and will be located in the gym. Ros will do the teacher map of locations. Anthony will place the food order with Jason the first of May. Juli & Erica almost has the volunteer shifts all filled out. Erica has the total energy BBQ arranged, Juli Waterbury will bring the other, and Danielle will arrange the final BBQ. Craig Gerrard will help BBQ and check to see if others are needed. Craig will also see if the Fire Department & Police would have a truck come to the event. Anthony will check with the paramedic's base to see if they would be interested in coming. Laura will check with Dawn to see if she wants to do the Taste of Rainbow at the event. Amber suggested that we consider selling embossed bracelets with "I love KCA" or "KCA Rocks" on them. Sunscreen printing does them, the cost for 500 is \$0.65 (\$325.00). Motion was made by Amber to buy a mini of 500 bracelets and pending the quote for 1000, consider buying 1000 (this will be approved via an email vote). Juli Waterbury seconded the motion. Motion carried.

## New Business

### School pictures

KCA has been approached by Life Touch and Light & Lens photography. Jennifer Vardy-Little made the motion to go with Light & Lens once again but we will ask him to provide a different background option. Seconded by Juli Waterbury seconded the motion. Motion carried.
