

KCA April 2018 Newsletter

Hello KCA Families,

Happy spring! It is so nice to see the longer days. Hopefully spring temperatures will soon accompany them. I love this time of year with the start of outdoor soccer and the end of hockey on the horizon. I am getting tired of the rink!

I want to thank everyone for their cooperation as we implement our updated drop-off loop procedures. Traffic is flowing more smoothly, children are safer, and the incidents of road rage have significantly reduced! ☺ I hear that parents are arriving at work feeling less stressed. In particular, I want to thank our PTA volunteers who are outside every morning helping to ensure that our students are safe. None of this would be possible without your support.

KCA is one of the schools identified by the DEECD to have a Pre-Primary Program next year. Space at our school is limited so we will use a mixed model, working with a service provider in the community to have the program off-site. Children in the program will visit KCA many times throughout the school year in preparation for coming to school the following September. The Pre-Primary Program is open to all students who will turn four years of age by December 31, 2018. If you are interested in enrolling your child in the program, please contact the school as soon as possible. It is important that we have accurate numbers so that we can determine the number of classrooms necessary. Please spread the word. If you have any questions feel free to contact me.

I am pleased to announce that all families who registered students for Primary French Immersion for 2018-2019 have been accepted into the program. All of next year's primary students will receive an invitation from the school at the beginning of May inviting them to Primary Orientation on June 8. Please watch your

mail for the invitation to this exciting day. If you know of a family with a child starting school in September who has not yet contacted the school, please encourage them to do so ASAP.

We are looking for a few parent volunteers to help with our new skateboard club and track and field. The skateboard club is open to students in all grades while track and field is for Grade 6-8. All volunteers must have completed a current criminal records and child abuse registry. If you can help with skateboard club, please contact Aidan West at amwest@gnspe.ca. If you can help with track and field, please contact Rosslyn Gillan at rosslyng@gnspe.ca.

Finally, if you are looking for something to do this Thursday, April 12, I would encourage you to come to our KCA Youth Talent Night, starting at 7:00 PM. Students will be sharing their talents while selling cheesecake and coffee. This evening is a fundraiser for the Grade 7/8 trip to Cape Breton. The line-up for the evening sounds terrific with dance, singing and music. If you would like to help, please contact Stephen Cameron at Stephen.cameron@gnspe.ca.

As always, if you have any questions or concerns, please feel free to contact the school at the number below.

PRE- PRIMARY REGISTRATION NEWS

KCA will have a Pre-Primary program next year. Pre-
Primary is a voluntary, play-based program open to all
children who are four years old by December 31, 2018,
and who live within the catchment area of the school.
Our program will be offered off-site, by a licensed child
care provider. We encourage parents/guardians to
register their child for Pre-Primary by April 13, 2018 if
possible, to help us plan for the upcoming
year. Registration occurs through our office.
